Cat Treat Series

-Made in Japan and 100% Natural ingredient -

FAQ: What is "Matatabi"?

Matatabi is a vine that grows in the mountain areas of Japan and China. It has long been known to elicit euphoric response in cats, and it is the most popular cat treat in Japan.

The reaction to matatabi is similar to the cat nip response, but it's more intense.

We have been a leading maker of matatabi products in Japan since 1988
